LARGE DAMAGE SUIT AGAINST PROMINENT PEOPLE

A suit asking for damages in the sum of \$100,000 for alleged alienation of affections of her husband, Douglas K. Clay, has been filed in the office of Circuit Clerk Wm. H. Webb, in this city, by Mrs. Jane Adams Clay, against Mrs. Sallie M. Clay, of Paris. The amount asked for in the petition is said to be the largest ever presented in similar litigation in this Court. Mrs. Clay is at present at the home of her parents, in Frankfort.

A suit for divorce from Douglas K. Clay has been filed in the same office by Mrs. Jane Adams Clay, the petition alleging cruel and inhuman treatment. The papers in both cases were prepared by the legal firm of Hinton, Bradley & Bradley, of Paris, representing the plaintiff. The defendant will be represented by E. M. Dickson.

MARCH TERM OF BOURBON CIRCUIT COURT.

The March term of the Bourbon Circuit Court will convene on Monday, March 8, for a three-weeks' session. The docket for this term is made up as follows: Old equity cases, 203 old equity appearances, 40; old ordinary cases, 59; old ordinary appearances, 46. The commonwealth docket comprises thirty cases, said to be the smallest that has ever been called in this court. Only a few of these cases will stand for trial. About seven examining trials have been filed for the Grand Jury to pass upon. On the docket there are ten divorce suits. A number of suits of varying nature have been filed for hearing at this term, but none are of a sensational nature that would interest the general public. The Court has a very busy term in prospect.

NOTES FROM THE PARIS HIGH SCHOOL.

The Paris High School has again increased her lead in the State Y. M. C. A. Bible study contest. Paris now stands twenty-six points ahead of the next school in the race, making gains of twelve points last week. Two beautiful silver loving cups will be given the winning schools in this contest by the State Y. M. C. A. The Kyril Orchestra, from the Redpath Lyceum Bureau, gave the third entertainment in the Paris Lyceum auditorium Friday evening. By far the largest audience of the season was present and the concert was enjoyed by everyone. There is no organization before the American people of to-day of this type that excels the Kyril Orchestra.

On next Saturday, March 5, Dr. Coldman, one of the foremost pastors of Brooklyn, New York, will be here for a lecture, making the fourth of the series. It has been a long time since Paris has had a more distinguished visitor.

COUNTY REPUBLICANS MEET IN MASS CONVENTION.

Pursuant to call Bourbon County Republicans met in mass convention in this city at the court house Saturday afternoon at 1:30 o'clock, for the purpose of selecting delegates to attend the State Convention to be held in Louisville, and to select a new county committee and officers to serve for the ensuing year.

The convention was called to order by Stapp Moore, Chairman pro tem who presided in the absence of his brother, N. A. Moore, County Chairman. The call for the convention was read by the Secretary, Winn Hutchcraft. A series of resolutions approving the administration of Governor Edwin P. Morrow, endorsing his policies, and congratulating the party upon its chance to secure a successor to President Woodrow Wilson, and other matters of county, State and National importance, was offered by Judge H. Clay Howard. The resolutions were adopted by a unanimous vote of the convention.

The county organization was effected by the selection of W. A. Thomason, of the North Middletown vicinity, as Chairman of the County Executive Committee, Hugh Campbell, of Paris, Secretary, and Dan W. Peed, Jr., treasurer. The following were selected to serve as members of the County Committee from their respective precincts: Paris No. 1, Winn Hutchcraft; Paris No. 2, James M. Templin; Paris No. 3, Stamps Moore; Paris No. 4, J. W. Oakley; Paris No. 5, Geo. H. Johnson; Paris No. 6, Chas. P. Mann; Millersburg No. 1, Albert Moffett; Millersburg No. 2, Jos. D. Booth; Little Rock No. 1, Edwin Thomson; Little Rock No. 2, Forest Day; North Middletown No. 1, J. M. Murphy; North Middletown No. 2, W. R. Tuttle; Clintonville No. 1, Letcher Weathers; Clintonville No. 2, Geo. K. Jones; Hutchison No. 1, W. K. Rice; Hutchison No. 2, George Watkins; Centerville No. 1, Dee Hume; Centerville No. 2, James Kenton; Ruddles Mills No. 1, Quincy Mahorney; Ruddles Mills No. 2, Rolla Kenton.

The following were selected as delegates to attend the State Convention in Louisville: W. A. Thomason, N. A. Moore, M. R. Jacoby, John M. Brennan, Hugh Campbell, Stamps Moore, George W. Stuart, James H. Shea, C. O. Wilmoth, Wyatt Thompson, Albert Moffett, J. Lawrence Horton, W. E. Tuttle, Dr. J. M. Williams, J. D. Shy, Carl Williams, Winn Hutchcraft, Dan W. Peed, Jr., John Yerkes, Carl Snapp, Letcher Weathers, Frank Clay, H. T. Ingram, James Stivers, Ed. Gorey, W. G. Goodloe, James Templin, Stanton Runkins, Dr. M. H. Dailey, A. J. Pee, Douglas Clay, Sam Weathers, James Grinnell, Pat Kane, C. P. Mann, George Leeds, Judge H. Clay Howard, George W. Wilder, J. H. Bell, Marion Day, Charles Doyle, J. D. Booth, George Watkins, Clay Owens, Andrew Reffett, Jr., Ora Wagoner, Luther Moreland, Ewalt Haley, J. W. Napier, James Cleaver, Charles Kuster, Roy Lowe, Robert Goggin, George Nelson, George Johnson, James Duncan, Richard Kelley, J. W. Calamense, John Purcell, C. Alexander, J. D. McClintock, J. G. Metcalf, Robin Horton, Thomas Whaley and Elmer Shumate.

In selecting Mr. W. A. Thomason, of the North Middletown precinct, as Chairman of the County Executive Committee, the Republican party of Bourbon county has set a high mark to be shot at. In all the county there is no man more highly regarded as a level-headed, courageous, thinking and plain spoken business man, one whose partisanship has merely consisted in being a straight-out working Republican, always with the interest of his party at heart. He is a successful, self-made man, coming up in the world by hard knocks, and "learning how" by actual experience. He is the Kentucky representative of large Eastern packing concerns, and of the Consolidated Dressed Beef Co., of Philadelphia. Being an expert in this line he buys annually a large number of the best cattle in the State for his farms.

Mr. Thomason is one of the staunchest Republicans in the county, and has given largely of his time and means to promote the interests of his party in all its campaigns, county, State and National. He is a man of liberal views, and his political opponents have no cause to find fault with him for that. He does not believe in autocracy, but does believe in the principles and faiths of the Republican party. He has associated with him as members of the Committee men who will respect his views, and work hand-in-glove with him. His position should add prestige to the Republican party in Kentucky and will add strength to the ticket to be selected. Republicans say the Democrats had better watch Thomason and not go to sleep on their jobs.

TWO FIRE ALARMS KEEP DEPARTMENT BUSY.

A telephone alarm yesterday morning called the fire department to the Dr. Campbell cottage on Cypress street, occupied by Mr. and Mrs. Jos. Williams and Mr. and Mrs. Bishop Delaney. Sparks from a defective flue set fire to the roof, causing small blaze, which was promptly extinguished with small property loss. Yesterday afternoon the department was called by an alarm from Box 24 to Connelley's Alley, where a tenant house occupied by colored people caught fire. A match carelessly thrown in a closet set fire to a lot of rubbish. The fire was extinguished by the department before it had gained much headway.

OFF FOR "SUNNYLAND."

Headed for the balmy breezes and the sunny clime of Havana, Cuba, Wallace W. Mitchell, cashier of the Farmers and Traders Bank, shook the dust of Paris from his shoes and bade the city farewell for a time. Mr. Mitchell goes to Cuba on a health-seeking and sight-seeing jaunt, and hopes to return greatly improved physically. During his absence his place in the bank will be filled by Owen L. Davis. Mr. Mitchell will be accompanied as far as St. Petersburg, Florida, by Dr. and Mrs. J. M. Williams, who will remain there for a short time for the benefit of Mrs. Williams' health.

THE MASSIE MEMORIAL HOSPITAL FUND.

Don't stop giving just yet, but keep the good work going until that badly-needed \$20,000, and more, has been raised," is the slogan for the week of the Massie Memorial Hospital fund solicitors. They kept to their work through all kinds of weather, and in the face of all kinds of discouragement, but are bound to win through. Theirs is the spirit that knows no shrinking, no turning back, no hesitating. That amount has to be raised, and they are going to get it.

With the fund rapidly approaching the goal set for it the solicitors are redoubting their efforts. Many have not yet contributed who are in position to do so. These are asked to come forward and donate to this worthy cause. Paris needs the Massie Hospital, and the Hospital needs that \$20,000, and more. And it is going to get it. Come in with your subscription in any amount.

KNOCKED DOWN BY AUTO

While playing with some companions in the street in front of the Fordham Hotel, James Delaney, a twelve-year-old boy, was knocked down and run over by an automobile driven by Newton Taylor. Although the machine passed directly over the boy, he luckily escaped with slight bruises and a bad scare. The lad ran right in front of the machine, Mr. Taylor being unaware of his presence until he felt the shock of the machine striking him.

MARCH COURT DAY.

Slush and snow predominated as feature attractions for March Court day yesterday, to the discomfiture of the large crowd in the city. Very little stock, except work horses and the usual run of scrub animals, on the market. It was also "moving day" for many tenants on the farms, this subject and the tobacco markets engrossing the attention of most of the Court day attendants. Among the sales of the day were fourteen Jersey cows, sold by James and A. M. Peffer, at the Caywood & McClintock barns, in South Paris, at good prices. At the Thos. G. Morris livery stable Renaker Parks, of Cynthiana, sold fifty head of draft and general purpose horses at satisfactory prices. Caywood & McClintock sold at their South Main street barns eighteen head of three and four-year-old horses, for Grant W. Swina, of Anderson, Indiana, which averaged \$130 per head. They also sold fourteen head of cows averaging \$118 per head. Turney Bros. sold at the same place one pair of mules, to Henry V. Thompson, of Winchester, for \$692.50, one pair to Newt Rankin, of Carlisle, for \$510, and one to Cal Jones for \$230.

Auctioneer M. F. Kenney sold at the court house door, five shares of the capital stock of the Peoples Deposit and Trust Co., for \$251 per share, a high water mark for this stock. Merchants report a good day's business, collections excellent, and everybody seemed to have a plentiful share of money.

LOCAL CONCERN TO ERECT WINCHESTER REFINERY.

Work is about to begin on a large oil refinery to be erected in Winchester by the Mutual Oil & Refining Company, of Paris, according to information given THE NEWS by officials of the Company in this city. The refinery is to be erected on a site located on the east side of Winchester, and the work will be pushed forward to a successful conclusion as rapidly as possible. Large quantities of building material and supplies are being forwarded every day to the site of the proposed refinery. The Mutual people confidently expect to have the plant in full operation before the first of next January.

This refinery is planned to have a capacity of five hundred barrels, to be increased to one thousand or two thousands daily. It will first be operated as a "stripping plant," but later, when equipped with modern machinery, will produce the different varieties of lubricating oil, paraffine and greases. The refinery will be supplied with crude oil from the Eastern Kentucky fields, which will be piped to the Winchester plant from the field. (1t)
